Friends & Family Rail and Sail PNW • April 28-May 1, 2027

Day 1— Wednesday April 28, 2027— Amtrak Cascades Rail to Vancouver, BC! Join us at King Street, Edmonds, or Everett Amtrak stations for our morning rail to Vancouver! Traveling aboard Amtrak Cascades from Seattle to Vancouver BC, is a relaxing way to experience the Pacific Northwest, with memorable views of Puget Sound, forested shorelines, coastal communities, distant mountains and the waters surrounding the San Juan Islands. Passengers can settle into wide, reclining seats, use onboard Wi-Fi and convenient power outlets, and visit the café car for Pacific Northwest-inspired meals, snacks and beverages. With room to stretch out and no highway traffic to navigate, the scenic rail journey becomes an enjoyable part of the trip rather than simply transportation between two cities. On arrival, transfer to our ship, the Royal Princess, for boarding, or enjoy Vancouver and board before sail-away! Settle in and let the party begin! (afternoon snacks. Dinner onboard)

Day 2— Thursday April 29, 2027 — Port of Call: Victoria, B.C. A port call in Victoria, British Columbia, offers a delightful blend of gardens, history and waterfront scenery. Visitors can stroll through the picturesque Inner Harbour, admire the grand Fairmont Empress and British Columbia Parliament Buildings, explore the shops and restaurants along Government Street, or visit the world-famous Butchart Gardens when time allows. Other popular experiences include afternoon tea, whale-watching excursions, horse-drawn carriage rides, colorful Fisherman's Wharf and walking through historic neighborhoods filled with charming architecture. With its flower-filled streets, British character and beautiful coastal setting, Victoria provides a relaxing and memorable highlight of any Pacific Northwest cruise. (breakfast, lunch, dinner onboard)

Day 3—Friday April 30, 2027 — At Sea A day at sea aboard the Royal Princess is a wonderful opportunity to relax, explore the ship and enjoy its many activities at an unhurried pace. Guests can lounge by the pools, take in sweeping ocean views from the open decks, enjoy live music and entertainment, browse the shops, join games or enrichment programs, or unwind with a treatment at the spa. Dining is part of the experience, with choices ranging from casual snacks and café favorites to elegant meals and specialty restaurants, while lounges and bars provide comfortable places to socialize. In the evening, passengers can enjoy production shows, movies, dancing and other performances, making a sea day feel like a full resort experience surrounded by the beauty of the open water. (breakfast, lunch, dinner onboard)

Day 4—Saturday May 1, 2027 — Arrive in Seattle In the early morning we cruise into Elliot Bay and dock in Seattle. Enjoy a final breakfast onboard before disembarkation! (breakfast onboard)
