

# Instructions for Conservatives

You should make every attempt to follow these suggestions to the *greatest extent possible*.

**NEVER** buy something made in China.

**BOYCOTT** anti-America companies (see the partial list).

**Run for office.** Even some positions working at the poll on election day are 'elected'.

**Join** your local Republican Committee; and participate.

Join other conservative groups such as Tea Party, 9/12, Republican Woman's Club, Trump groups, etc.

Periodically **gather** with other Patriot's in your community. Have a BBQ, Flag Wave, Road Rally, etc.

Go have fun, enjoy camaraderie and exchange news/information/ideas.

**Vote**

**Volunteer** to work at the polls, drive Conservative voters to polls, etc.

**Write** to both your State Representatives every week or two. Demand they address voter fraud and implement procedures to prevent it. Attempt to show them the evidence if your State experienced voter fraud and demand they investigate it.

**Join/Support** 2ndvote.com, Association of Mature American Citizens, Alliance Defending Freedom, Liberty Counsel, American Family Association and Florida Family Association

**Be informed and take action.** Subscribe to the Epoch Times.

**You CAN do something!** (visit <https://fightnowforamerica.com/>)

**Some of the worst companies to avoid.** This starts with the absolute worst companies. Use the website <https://www.2ndvote.com/> to check a company and alternatives.
