Conflict of Interest –

As an APP **Freaky People Grape Adventures** is required to identify to WSET and assist in managing or monitoring actual, potential and perceived conflicts of interest ('Conflicts of Interest') involving both APP staff and students. This policy complements WSET's conflicts of interest policy and works to safeguard the integrity of WSET qualifications and promote confidence in **WSET and Freaky People Grape Adventures** processes and procedures.

This policy applies to all **Freaky People Grape Adventures** staff and students and to any individual acting on behalf of **Freaky People Grape Adventures**.

A **Conflict of Interest** exists where an individual has interests or loyalties that could adversely influence their judgement, objectivity or loyalty to WSET or **Freaky People Grape Adventures** when conducting activities associated with WSET qualifications.

Examples of Conflicts of Interest include:

- The undertaking of a WSET qualification by any individual employed by an APP;
- The invigilation of a WSET assessment by any individual involved in the delivery of training leading to the assessment;
- The coaching of candidates by any individual involved in the assessment of candidate scripts;
- The employment by an APP of individuals engaged in the delivery of taught programmes or in the role of Internal Assessor in another APP;
- The investigation of a non-compliance incident by someone who is unable to act impartially.

Some of these Conflicts of Interest are manageable and therefore acceptable. For example, if family member of one of **Freaky People Grape Adventures's** educators or APP staff takes a qualification and exam through **Freaky People Grape Adventures**, or when an employee of **Freaky People Grape Adventures**, or of the WSET, takes a WSET qualification through **Freaky People Grape Adventures**, we can notify WSET in advance and work with them to put in place measures to maintain the integrity of the exam.

Some Conflicts of Interest are not manageable and are not acceptable. For example, no mitigation efforts overcome the conflict created when an individual when a single individual serves as the educator and exam officer of an exam for a family member where an external invigilator is not available.

Any staff member or student of **Freaky People Grape Adventures** who becomes aware of a Conflict of Interest must inform **Al Fischer at freakygrapes@gmail.com** as soon as possible. **Al Fischer** will inform the WSET of the possible conflict of interest and will work with WSET to put any protective or mitigating measures in place to manage the conflict on a case-by-case basis. If WSET and **Freaky**

People Grape Adventures determine the conflict is not manageable, **Al Fischer** will inform any impacted APP staff or students.

Please note that the failure to declare a conflict of interest may have consequences for the student or **Freaky People Grape Adventures** because we are required to report conflicts to WSET.

Special Considerations –

Special consideration is any adjustment given to a student who has temporarily experienced an illness or injury, or other event outside of their control at the time of the exam that significantly affects their ability to take the exam or their ability to show their knowledge and understanding in the assessment. Special consideration is only for things that happen *immediately before or during* an exam that have a material impact on your, the student's, ability to take the exam or on your performance. To be eligible for special consideration, you must have completed the whole course and would have been fully prepared if not for the temporary illness, injury or other uncontrollable event. A special consideration may be for an individual (e.g. a student becomes ill the day of the exam) or a group of students (e.g. an exam is interrupted by a natural disaster).

You may be eligible for special consideration if:

- Your performance on the exam is adversely affected by an event outside of your control. This may include temporary illness, temporary injury, and bereavement or exam room conditions;
- Reasonable adjustments which were agreed in advance of the exam proved inappropriate or inadequate;
- The application of special consideration would not make a passing result and certificate misleading about the student's ability to satisfy the qualification's assessment criteria.

Applying for special consideration

If you have taken an exam, or your exam is immediately approaching, and you feel that you have a temporary injury or illness, or other uncontrollable event that has interfered with your ability to complete your exam, please contact **Al Fischer at freakygrapes@gmail.com** as soon as possible.

Freaky People Grape Adventures will provide you with a Special Consideration Application Form, which must be completed and returned with supporting documentation within **3 working days** after the effected exam. The information you submit will be shared with WSET and will be handled under WSET's Privacy and Data Protection Policy.

If there has been serious disruption during an exam affecting a group of students, **Freaky People Grape Adventures** will submit a detailed report of the circumstances and candidates affected to WSET to request a special consideration.

Freaky People Grape Adventures will keep records of all applications for special consideration.

Reasonable Adjustments –

Both WSET and **Freaky People Grape Adventures** want to make WSET assessments accessible for all students, so none are at an advantage or disadvantage based on a disability or differing ability. This policy and the reasonable adjustment process allows us **Freaky People Grape Adventures** to work with you, our student, *before an assessment* to gather the information we need to submit a request to WSET and work with them to make arrangements that give students access to WSET qualifications.

A **reasonable adjustment** is any accommodation or arrangement that helps to reduce the effect of a known disability or difficulty that substantially disadvantages a student's assessment. Using a reasonable adjustment does not impact how WSET grades your exam, or your result, but WSET cannot agree to reasonable adjustments where your particular difficulty directly affects performance necessary to complete the assessment outcomes. The goal of a reasonable adjustment is to give you equal access to a WSET qualification, not to give unfair advantages over other students who take an assessment without the same adjustment, or to affect the overall reliability of the assessment outcomes that are explained in the course Specification.

Examples of reasonable adjustments may be:

- Changing standard assessment arrangements, for example allowing candidates extra time to complete the assessment activity;
- Adapting assessment materials, such as providing materials in large text format;
- Providing access facilitators during assessment, such as a sign language interpreter or reader;
- Re-organizing the assessment room, such as removal of visual stimuli for an autistic candidate.

Freaky People Grape Adventures will gather the information we need from you to submit a Reasonable Adjustment Application form to WSET. WSET must approve and arrange reasonable adjustments before the assessment activity takes place. Before completing enrolment with **Freaky People Grape Adventures**, we will give all students access to this policy and the chance to identify any special needs that could require a reasonable adjustment. If a student identifies a special need, **Freaky People Grape Adventures** will give the student the Reasonable Adjustment Application form as soon as possible and work with the student to gather the necessary information.

For any student seeking a reasonable adjustment, please contact:

Al Fischer at freakygrapes@gmail.com with:

- Your full name;
- contact information;
- Description of the special need, disability or differing ability that requires an adjustment; and supporting documentation.

You must submit this information at least **21 business days** before the exam date for Levels 1-2 qualifications. The information you submit will be shared with WSET and will be handled under WSET's Privacy and Data Protection Policy.

Freaky People Grape Adventures will keep records of all reasonable adjustment applications.

Malpractice and Maladministration –

Both **Freaky People Grape Adventures** and WSET have policies and procedures in place to protect WSET students and safeguard the integrity of WSET qualifications. **Freaky People Grape Adventures** ensures compliance with **Freaky People Grape Adventures and WSET's** policies through this Malpractice and Maladministration Policy, which gives a framework for both us and you to identify, report and manage potential malpractice or maladministration.

Non-compliance with **Freaky People Grape Adventures** or WSET Policies and Procedures can fall into two distinct, but related, categories:

1. **Maladministration**, where the non-compliance is generally unintentional, or the result of mistakes, carelessness, inexperience or poor processes; and
2. **Malpractice** where the non-compliance is intentional or the result of a negligent or reckless action without consideration of the consequences of the action.

Context is important and the line between maladministration or malpractice is not always clear: for example, maladministration incidents may become malpractice (e.g. if you fail to implement corrective measures, repeat the same or similar incident, or attempt to misrepresent or hide information during an investigation); or there may be mitigating factors that turn potential malpractice into maladministration. Though malpractice and maladministration are distinct concepts, they can shade into one another. Malpractice and maladministration are always case, context and fact specific. Both APPs and students can commit malpractice and maladministration.

There are many ways that malpractice or maladministration could occur, including new ways we have not seen yet. But some examples of malpractice or maladministration include

For APPs:

- Failure to adhere to WSET Policies and Procedures;
- Failure to follow WSET requirements for course delivery or exam regulations;
- Failure to follow WSET's candidate registration and certification procedures;
- Late student registrations;
- Fraudulent claim for certificates/fraudulent use of certificates/reproduction or forgery of certificates;
- Withholding critical information from WSET quality assurance;
- Insecure storage of exam materials;
- Revealing or sharing confidential exam materials with candidates ahead of an exam;
- Intentional attempts to manipulate exam results so that they do not reflect the candidate's actual exam performance;
- Failure to disclose a Conflict of Interest;
- Issue of incorrect exam results/failure to issue results to students in a timely manner;
- Failure to timely respond to WSET;
- Unauthorized reading/amendment/copying/distribution of exam papers;
- Failure to report changes in APP ownership/personnel/location/facilities;

- Denying WSET access to information, documentation, workforce, facilities;
- Failure to return exam papers within the specified timeframe or to follow delivery and tracking regulations;
- Infringements of WSET copyright, trademarks, intellectual property rights and brand identity;
- Use of unqualified and/or unregistered educators or internal assessors;
- Breach of confidentiality
- Misleading advertising/publicity;
- Any action likely to lead to an adverse effect.

For students:

- Cheating, or facilitating cheating, including the use of unauthorized devices or materials;
- Disruptive behaviour in an exam;
- Plagiarism of any nature by students;
- Impersonation (including forgery of signatures);
- Unauthorized reading/amendment/copying/distribution of exam papers;
- Any action likely to lead to an adverse effect;
- Breach of confidentiality.

In general, we also expect that both Freaky People Grape Adventures staff and our students should treat others and be treated professionally and respectfully at all times. We will treat inappropriate behaviour including verbal or physical abuse, persistent or unrealistic demands, or threats that cause stress to staff as misconduct and may report student misconduct to WSET as necessary.

Reporting and Investigation of Malpractice or Maladministration

As an APP, we aim to ensure compliance with WSET Policies and **Freaky People Grape Adventures** policies and will keep records of potential or actual malpractice or maladministration by you, our students, or our staff.

We are required to notify WSET immediately of any non-compliance issues that could be malpractice or maladministration, so that WSET can investigate the non-compliance under their own Malpractice and Maladministration Policy.

We ask that you also raise any concerns or non-compliance issues that may be malpractice or maladministration with **Freaky People Grape Adventures** as soon as possible by following the process outlined in our Complaints policy.

During WSET's investigation, they may reach out to **Freaky People Grape Adventures** or to you directly to request further information or conduct an interview. Please respond to any requests promptly and honestly.

Managing Non-Compliance

If WSET identifies malpractice or maladministration, they will consider its impact and may apply sanctions. WSET will take all reasonable steps to ensure the sanctions do not disadvantage uninvolved students affected by malpractice or maladministration. However, in some cases, they may need to disallow or withhold results and/or certificates.

WSET will consider all relevant information on a case-by-case basis, balancing the facts with potential or actual effects, and against the seriousness of the sanctions against those effects.

WSET records all malpractice and maladministration incidents for both APPs and students. If WSET determines that a student has committed malpractice or maladministration, they may apply one or any of the following sanctions:

Sanctions Applicable to Students/Candidates
