Re: *Casa Grande Art Museum Annual Membership Drive*

Dear Community Member:

The Casa Grande Art Museum is happy to announce that we are returning this season! Due to Covid, we were closed last year, but now look forward to celebrating the arts! Even though we were closed, we were able to make improvements at the Museum. Our beautiful, decorative fence was installed (thanks to donated funds - - especially from Jeannette Rhodes), our landscaping was updated (thanks to the Casa Grande Art Association), and improvements were made to the building itself.

To those who previously contributed to the Casa Grande Art Museum, we thank you for supporting the arts in Casa Grande. If you have not had the opportunity to support the Museum, we especially encourage you to become a member this year, as we have extraordinary exhibits scheduled with a local flair. Only through generous memberships, donations and gifts from kind folks like you are we able to present shows this year. We exist solely from private donations. Whether we are open or closed, our Museum incurs monthly expenses.

As we begin our 35<sup>th</sup> season, we ask you to renew your membership or become a member of the Casa Grande Art Museum. **For those of you who renewed during last year's membership drive, that renewal is carried forward and honored for this 2021/2022 season.** You do not need to complete a new membership form. For those of you who did not renew or desire to now become a member, please complete the enclosed membership form and return with your check payable to "Friends of the Arts". Remember, your donation is tax deductible (**our Tax ID No. 74-2439404**). All members receive discounts for select workshops, discounts on all art purchases, and notifications of upcoming exhibits and other events.

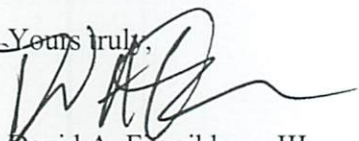

We look forward to great exhibits during the 2021-22 season. Below is a preview of our shows. We anticipate this being our schedule and being open to the general public, but due to the uncertain nature of the pandemic, our schedule will be subject to change based upon safety recommendations in the coming months.
