Re: Casa Grande Friends of the Arts (the "Art Museum") Annual Membership Drive

Dear Community Member:

The Casa Grande Friends of the Arts is happy to announce our new season! We have exciting shows that await you!!

To our past Members of the Casa Grande Friends of the Arts, we thank you for supporting the arts in Casa Grande. If you have not had the opportunity to become a member and support the Museum, we encourage you to become a member today, as we have extraordinary exhibits scheduled with a local flair. Only through generous memberships, donations and gifts from kind folks like you are we able to present shows this year. We exist solely from private donations. To maintain our Museum, we pay monthly expenses.

This is our 40th Anniversary! Please renew your membership or become a member of the Casa Grande Art Museum. Please complete the enclosed membership form and return with your check payable to "Casa Grande Friends of the Arts". Remember, your donation is tax deductible (**our Tax ID No. 74-2439404**). All members receive discounts for select workshops, discounts on all art purchases, and notifications of upcoming exhibits and other events. Help us make our 40th year our best one yet!

We look forward to great exhibits during the 2025-26 season. Below is a preview of our shows.
