**Re: Casa Grande Art Museum Annual Membership Drive**

Dear Community Member:

The Casa Grande Art Museum is happy to announce our new season! Our old museum looks great. Please come visit!

To those who previously contributed to the Casa Grande Art Museum, we thank you for supporting the arts in Casa Grande. If you have not had the opportunity to support the Museum, we especially encourage you to become a member this year, as we have extraordinary exhibits scheduled with a local flair. Only through generous memberships, donations and gifts from kind folks like you are we able to present shows this year. We exist solely from private donations. Whether we are open or closed, our Museum incurs monthly expenses.

As we begin our 38<sup>th</sup> season, we ask you to renew your membership or become a member of the Casa Grande Art Museum. For those of you who did not renew or desire to now become a member, please complete the enclosed membership form and return with your check payable to "Friends of the Arts". Remember, your donation is tax deductible (**our Tax ID No. 74-2439404**). All members receive discounts for select workshops, discounts on all art purchases, and notifications of upcoming exhibits and other events.

We look forward to great exhibits during the 2024-25 season. Below is a preview of our shows. For more information regarding the shows and the Museum, please visit our website at:
