January 2026 - #1

Message from Coach Omar

Happy New Year!

We hope you had a fantastic break and are ready for an exciting year ahead. We're thrilled to welcome everyone back for a new term of our after-school clubs, with lots of fun, energy, and engaging activities planned to keep children active, confident, and smiling after the school day.

Jasmine Armfield is coming back to Seren Kids!

We are delighted to announce that Jasmine will be coming back to do Drama workshops from January in our After school Club at Tormead. However this does depend on the number of bookings, so we encourage parents to book as soon as possible because currently numbers are quite low, and at risk of being cancelled. We require a minimum of 10 bookings each week (spread across both groups) for the session to go ahead. We will be informing parents 4 days prior to the session if the number requirements were met. More info below.

Christmas Hamper Donation Outcome

We want to say a huge thank you to everyone who donated to our Christmas Hamper Project for children and families facing, or at risk of facing, food poverty in Surrey. We were able to provide significant support to around 28 children who have accessed our camps via Free School meal places, but also donate towards around a further 10 families living in domestic violence shelters within Surrey. Hampers were full of fresh fruit and vegetables, some food treats like chocolates and mince pies, shelf stable essentials, toiletries, Christmas crackers, books & presents too! We are so proud of the positive community we are all building at Seren Kids thanks to all of you!

CAMP DAILY LUNCH ROUTINE: RHYME, RIDDLE OR JOKE

At Seren Kids, we believe that Lunchtime is an important part of the day and should feel calm, supportive, and enjoyable for every child. As children begin to finish their lunch, our team is always present to offer gentle reassurance and encouragement, ensuring no child feels rushed or anxious during this transition.

To support this, we introduce a friendly and engaging routine called Rhyme, Riddle or Joke at the dinner table when we observe a lot of children finishing their lunch. As children tidy away their lunch, they are invited to volunteer to share a rhyme, solve or ask a riddle, or tell a joke to the group. Taking part is always optional, allowing children to join in when they feel ready, while others are welcome to listen, enjoy, and build confidence over time.

This routine helps create a relaxed and positive atmosphere at the end of lunchtime. It gives children a gentle focus while finishing their meal and supports a smooth transition into the next part of the day. At the same time, it supports children's learning and development by encouraging communication and language skills, confidence and self-esteem, and positive social interaction.

Rhymes support early literacy and phonological awareness, riddles develop problem-solving and critical thinking, and jokes help children explore humour, expression, and timing.

By combining care, routine, and enjoyment, Rhyme, Riddle or Joke turns the end of lunchtime into a meaningful and supportive experience where every child feels relaxed, included, and provides an important buffer for children not to feel rushed whilst eating.
