

HOW TO...

# CHOOSE THE RIGHT CLASS

1

## EXPLORE OUR WEBSITE

Visit <http://ourtribeathletics.com> and explore the "WHAT WE OFFER" tab. You will find a world of information regarding all of our classes, lessons, Team types, and cheer programs.

2

## EXPLORE OUR PARENT PORTAL

Visit <http://register.ourtribeathletics.com> to explore class times, costs, and availability. From the Parent Portal, you can enroll in classes and manage your Athlete's account, as well as shop our online ProShop.

3

## CONSIDER COST & COMMITMENT

For each of our Tiers of TEAM, the cost and time commitment increases from NOVICE -> PREP -> ELITE. Different Rec Classes also have different price points and time. Our Intro to All-Stars program has set sessions that may be the best for YOUR schedule, too! There's an option for everyone!

4

## TEAM VS RECREATION CLASS

Teams have set practice schedules and competitions schedules. You can learn more at <http://ourtribeathletics.com/cheer-teams-%26-classes>

Rec Classes meet once weekly and are much more flexible options, especially if you're looking to get your Athlete started new in cheer/tumbling.
