

Strategic Gig Worker Collaboration Initiative

At PROBE Consulting Company, LLC, our mission is to help clients communicate authentic, data-supported outcome narratives and develop valid and reliable Success Constructs. Our vision is to create a better world through the collection and analysis of Clean Data. The goal of the PROBE Consulting Company, LLC, Strategic Gig Worker Initiative is to provide “Just-at-the-right-time” information and strategic planning services to ethnic minority businesses, doctoral students, private HBCUs, non-profit organizations, faith-based organizations, and human services agencies at an affordable cost.

A PROBE LLC Strategic Gig Worker

- All GIG workers will be independent contractors.
- GIG workers will not engage in aggressive sales tactics.
- GIG workers will communicate with individuals, institutions, small businesses, non-profits, or affinity groups that could benefit from our services.
- When GIG workers refer a client to probeconsulting.com and that client signs a work agreement and pays for a service, the GIG worker will receive compensation.

Strategic Gig Worker Compensation

Our payment structure operates on a Straight Commission Model at a rate of 15%.

Formula: Sales value × Commission Rate = Compensation. Example: Selling a service or product for \$6,500 with 15% commission results in a compensation of ($\$6,500 \times 0.15 = \975.00).

This engagement isn't an easy gig by any means. If you give up easily, this might not be the right fit for you. If you're looking for a side hustle that generates income for the things you want, this could be the perfect opportunity.
