Dear Dr. McManus:

I take this occasion to express sincere congratulations to you for the recognition that you continue increasingly to bring to the division, St. Augustine's College and the profession as a whole. Moreover, your recent research focusing on the ethic of Henryism is truly a masterpiece. You were able to bring the concept into focus and to make a legend "come alive".

Sincere congratulations to you and needless to say, keep up the good work.

Sincerely,

Dear Dr. McManus:

I have just recently received the official word on your having been appointed to the above referenced chair. This is a signal honor, both to you and Saint Augustine's College. I have communicated precisely that to Dr. Suber in your behalf. It has certainly been a great honor and indeed a pleasure to work under your direction in the Division of Social Sciences here at Saint Augustine's College during the recent years.

Please know that if ever I could be of any help what so ever, do not hesitate to call upon me.

Sincerely yours,

  
Prezell R. Robinson
