STAINLESS STEEL SINKS  
DOUBLE BOWL 40/60

NS-40/60  
(Available in 18G and 16G)

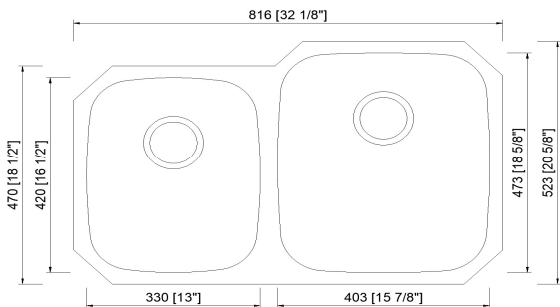

This classic double bowl undermount sink is constructed with 18G or 16G thickness stainless steel for reliable durability.

With one large and one small bowl (40/60) and sound deaden pads, it's not only elegant but practical too. An ideal choice for busy homes and light commercial environments, this easy to clean sinks offers a beautiful brushed stain finish that helps minimize small scratches for enduring beauty.

Long lasting quality and elegance come together in this popular double bowl sink.

Strainer and stainless steel grid available as an option.
