

Dog Health Warranty, Purchase Agreement, and Spay / Neuter Agreement

Pertaining to ...

Puppy Name : _____ Breed : _____

Birth Date : _____ Gender : _____ Color : _____

Sire : _____ Dam : _____

SELLERS RESPONSIBILITY

The seller guarantees that the puppy is in good health (MINUS POTENTIAL INTESTINAL PARASITES) and has received the following ...

- Age appropriate immunization
- Subcutaneous MicroChip
- Deworming
- Health Certificate for travel at request and if applicable

The seller provides warranty against debilitating congenital defects for a period of two (2) years after the date of sale

- Seller guarantees all possible steps have been taken with the SIRE/DAM selection and. Breeding to prevent hereditary issues.
- Debilitating congenital defects are defined as those present at birth and that are either life-threatening, or would prevent the puppy from fulfilling the intended purpose for which it was purchased.
- Any suspected debilitating congenital defects must be confirmed by a licensed veterinarian (INCLUDING NECROPSY IF THE DOG DIES)
 - Buyer must supply any and all requested veterinary records related to the dogs condition to the seller within seven days of diagnosis.
 - Seller has the right to require a second opinion from a veterinarian and/or veterinarian specialist of the sellers choice at the sellers expense

- If necropsy is performed and the results in undetermined or inconclusive diagnosis, warranty is void.
- If a congenital defect is identified within the warranty period, the buyer has the option to obtain a replacement puppy from the seller at equal or lesser value.
- Breeder will determine which puppy (of equal or lesser value) will be used as a replacement and the wait may be as long as 6 - 12 months
- Color or gender is not guaranteed
- Shipping fees will not be refunded, and any cost associated with the shipping the replacement puppy are to be covered by the buyer
- If the puppy is euthanized or in any way disposed of without a second opinion from the Sellers veterinarian, the buyer waives the right to a replacement puppy.
- This warranty does NOT include VIRAL INFECTIONS, IMPROPER BITES, STRESS-RELATED ILLNESS, HERNIAS, HYPOGLYCEMIA, PARASITES (INCLUDING GIARDIA OR COCCIDIOSIS) CANCER, OR ENDOCRINE DISORDERS. It also does not include any illness due to ingestion of foreign objects, foods, chemicals or physical injuries
- No warranties or guarantees, expressed or implied, are made under this contract except as stated.
- This warranty is non-transferable

It is to be clearly understood that the SELLERS does NOT under any circumstances, accept responsibility for any veterinarian and/or health care expenses

[Buyers Initials _____]

Buyers Responsibility

The Buyers agrees to pay a total sum of \$ _____ . This fee does not include shipping. If shipping is required the buyer agrees to pay \$ _____ for shipping, which includes a travel crate and a health certificate.

The Buyer bares all costs relating to the sale of the above animal, including transportation. The risk of loss and injury to the above animal is on the Buyer at all times after the puppy Leaves the Seller

The Buyer agrees to have the puppy examined by a licensed veterinarian within THREE (3) BUSINESS DAYS

- If the puppy is found to be in poor health, the Buyer has the option of returning the puppy to the Seller at the cost of the Buyer, for a full refund.
- The Buyer will provide a written statement from a licensed veterinarian clearly stating the defect or illness.
- If the puppy is not taken to a licensed veterinarian within three business Days of taking possession, the health warranty is void.
- Please ensure the puppy is kept in a kennel or held in a waiting area of a veterinarian office, and the exam room of a veterinary office, and that the exam room is properly disinfected before the appointment.

- Do not let the puppy walk on the floor of the veterinarian office and ensure the room has been cleaned prior to putting your puppy on the table. We recommend bringing a clean towel or blanket with you to be safe.

The Buyer is responsible for all medical expenses associated with the treatment of intestinal parasites if the puppy is diagnosed , even if the puppy has parasites present when sent home.

- Treating parasites is unfortunately one of the responsibilities of owning a Puppy.
- It can take more than once to treat the parasites, and is an ongoing task in owning a Puppy
- It is common for puppy parasites to flourish after joining a new family (stress and change can accommodate this)
- Most parasites can be contagious, and it is possible that other dogs in the house can get them.
- Do not let your others dogs eat the puppies feces and clean it up immediately using proper cleaning materials.

[Buyers Initials _____]

The Buyer agrees to provide the best possible care for their puppy for the duration of their life. This includes but is not limited to ...

- Housing the puppy indoors
- Feeding only premium quality food intended for dogs
- Maintaining their puppy at a healthy weight
- Having their puppy seen by a licensed veterinarian for a wellness check annually
- Taking the puppy to a licensed veterinarian if he or she gets sick or injured
- Keeping all immunizations current according to the guidelines set forth by the American Veterinarian Medical Association
- Administering heart worm preventative medication (if living in an area of concern)
- Registration of MicroChip

The Seller highly recommends the buyer provide basic obedience training with the puppy within the first year of owning the dog.

The buyer agrees to postpone strenuous, forced exercise until the puppy is over one year of age to minimize joint damage as puppies mature.

The Buyer agrees to contact the seller immediately if the Buyer determines they are unable to keep their puppy for any reason. The Buyer and Seller will jointly determine on how the dog will be rehomed.

The Buyer agrees to NEVER place the puppy with a rescue group or , in a shelter, pound, or similar facility or research laboratory

The buyer allows the Seller to use any pictures of the dog that the Buyers post on social media for the purpose of reposting and sharing on facebook, Instagram, their website, Twitter, you Tube etc., or in any manner they choose.

Spaying and Neutering

Spaying / Neutering / Gonad Sparing Surgery (GSS) by a licensed, reputable veterinarian is required on the above Puppy by 18 months of age

- Proof of this, in the form of a certificate of Spay/Neuter from the veterinarian, must be forwarded to the seller by the time the puppy reaches 18 months of age.
- If the seller does not receive this documentation within this time, the warranty will become null and void. It is understood that at the time of sale that the puppy is not to be used for breeding.
- It is a representation of its breed and is structurally and temperamentally suited for a companion and / or working dog. It is being sold without breeding rights.
