

How You Can Help!

DONATE to the campaign

This grassroots campaign brings over \$250,000 value in volunteer hours, professional skills, and social equity to the effort. Additionally, **it will require approximately \$300,000 in community funding support** to put our best effort forward with a digital and print campaign to inspire voters to pass both measures. This is a **combined fundraising and messaging campaign between Citizens for Spokane Schools and Citizen Advocates for Parks**. Every dollar helps!
