

Yes Parks, Yes Schools Campaign Selfie Video Instructions

We're launching a fun new video series that will be included on the campaign social channels. These are quick, easy videos you can record on your own and submit from your phone.

No fancy equipment needed — just your phone and a few minutes!

The Vibe:

- Super Simple – Videos should take under a minute to record.
- Have Fun – Just be your authentic self, no scripts or fancy setups.
- Smile – Speak with energy and enthusiasm.
- Support Yes Parks Yes Schools - Help inform the community about the park bond and school levy.

What to Say:

I'll be voting yes twice because...or....I'm voting Yes for Parks and Yes for Schools because...

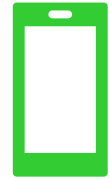

- I want more security in Parks.
- I would love to travel less for my kids' <insert sport> tournaments!
- A new trade school would be a great opportunity for my family.
- I can't wait for a park in North Indian Trail!
- It's a partnership that makes sense for Spokane and my tax dollars.
- <insert your own reason>

For extra credit!

In a second separate video, record yourself saying “I voted yes twice for parks and schools.” These will be utilized when ballots drop to election day.

Recording Tips:

- Make sure there's enough light – Move closer to a window or turn on lights.
- Keep it short & fun – 15-30 seconds is great!
- They can be either horizontal or vertical, it doesn't matter!

This is all about having fun and showing support for the parks bond and the school levy in a way that the community will love. No pressure, no perfect takes—just grab your phone and start recording!
