Re: Certificate of Compliance from Special Inspector for Hillcrest Condominium Association #4

Dear City Official,

This letter serves as a formal certificate of compliance for the aforementioned Condominium Association. LTM certifies the completion of the Hillcrest Condominium Association #4 structural restoration work. As the Special Inspector Engineer, I have reviewed the project and hereby confirm that all work has been executed in accordance with the applicable codes, regulations, and industry standards.

This letter serves as a distinct document unrelated to the previously submitted Special Inspector reports. It solely focuses on affirming compliance and completion of the in-progress work.

The completion of all work occurred without any in-progress inspections performed by the City of Hollywood.

In conclusion, I hereby declare that the Hillcrest Condominium Association #4 has been executed to the best of our knowledge and expertise, adhering to all applicable codes and regulations. I affirm that the construction work meets the required standards of quality and safety.

Please do not hesitate to contact me if you require any additional information or have further inquiries regarding this matter. Thank you for your attention to this compliance declaration.

Sincerely,

Arshad Viqar, P.E.
