Broward County Building Safety Inspection Program Summary: The 40 year and older Broward County Building Safety Inspection Program was created in 2005 and has become effective throughout Broward County in January 2006. Modeled after Miami-Dade County's program, which was established in the mid-1970s, Broward's program calls for structural and electrical safety inspections for buildings 40 years old or older and every ten years thereafter.

**Comments:**

A report has been submitted based upon the minimum inspection guidelines for building safety inspection as listed in the Broward County Board of Rules and Appeals' Policy #05-05.
