Treasurer's Report

Stu reported an account balance on April 30, 2024, of \$17,718.43 .

Membership Report

David reported that the club currently has 72 members, including four new renewals.

Sponsorship Report

Armen reported no new sponsors. Current sponsors are Pemberley Realty Group (Roxanne Govari), Digital Payments (Armen Khachadourian), the law firm of Richard L. Duquette, Esq., Adams Avenue Bicycles, Sport Rx, Spinergy. m.h. Construction (Bruce Smith), Zoca Gear. A full list with contact information is on the CV website.

Bike Coalition Report

Paul reported that there were no San Diego County Bicycle Coalition (SDCBC) officials at the memorial ride for Bill Walton. Paul also stated that he thought Cyclo-Vets should support the California Association of Bicycle Organizations (CABO) instead of SDCBC because their interests are more in line with those of the Cyclo-Vets. David reported that the club did not give any money to SDCBC last year and that the club became a member of CABO last year. Discussion ensued and it was decided that the direction SDCBC is going is not in line with the goals of most bicycle clubs, including Cyclo-Vets. Paul made a motion that the club renew their membership to CABO. Membership is \$200. Bruce seconded the motion, which was passed unanimously.

Clothing Report

Rob reported that the 25% discount that was given to club members who renewed their membership by December 1, 2023 was inadvertently left on the Zoca website. Therefore, the club was billed \$130 for items that were purchased before the 25% discount was removed. Jean made a motion that the club pay Zoca. John seconded. The motion was passed unanimously.

New Business

Ride the Point Donation

Julie gave a short presentation regarding Ride the Point (RTP) and how the club has supported RTP in previous years through donations, riding as bike marshalls, coordinating the RTP raffle, and other volunteer duties. Jean made a motion to donate \$3000 to RTP this year. Don seconded the motion. The motion passed unanimously.

Club luncheon

Julie reported that the next club luncheon will be at Eureka Restaurant on August 10 from 11:00am-1:00 pm. Julie stated that the luncheon needs to be scheduled when students are on break at SDSU. The luncheon will be free to club members. A fee of \$25 will be charged for non club members. Sound will be provided by OJ. Julie is in need of raffle items and has requested that the club provide at least one significant raffle item. Stu suggested a gift certificate to Adams Avenue Bicycles. Armen noted that not many CV members use Adams Avenue Bicycles as their preferred bike shop. Rob stated that Adams Avenue Bicycles gives club members a 20% discount and suggested that the club buy any gift certificates rather than ask Adams Avenue Bicycles to donate them. Following discussion, John made a motion that the club provide funds for one \$250 and three \$50 gift certificates to Adams Avenue Bicycles. The motion was seconded by Bruce. The motion passed unanimously.

SB 1216

Catherine Blakespear has authored a bill to make it illegal to have sharrows on roads with speed limits greater than 30 mph. CABO is opposing the bill. Cyclo-Vets members need to be educated and encouraged to contact their senator. Stu agreed.
