Sponsorship Report - Armen

Nothing reported.

New Business**Zoca & future CV clothing committee update - Rob**

Our last clothing store was anything but a breeze. Zoca has become increasingly difficult to work with. A discussion was held regarding changing to a new supplier, with the following input:

A clothing company that is local may be more convenient but not necessary.

Paul offered to make a list of clothing suppliers that other San Diego cycling clubs are using.

Jean will contact World Jerseys to see what clothing items, materials and cuts (race and club) they can supply.

Don recommended Champion Systems, currently located in Nebraska, stating that they are of high quality and wear well.

Mary Jo will organize a clothing committee meeting. Jean, Paul, Rob, Mary Jo, Heather have volunteered to be committee members.

Zoom Authorization - David

A snag has been run into regarding our Zoom account. Because our account is linked to the email address on our pirated website, David is having trouble updating the account. We are currently only allowed 40 minute meetings. David will continue to try to resolve the problem. If your meeting lasts longer than 40 minutes, we will take a short recess and then reconnect.

Nominating Committee Update: - MJ

Mary Jo to Chair. Other committee members are David and Don. David encouraged all Board members to participate in getting club members to run for a 2026 Board seat.

Social Committee - Nancee:

30 people attended the club luncheon at Eureka. The bill from Eureka was \$888.04. Profit from the raffle was \$344.00. Photos were taken by Richard Lee. They will be put in the next newsletter. The next pop up will be held at Park Social on September 27, 2025.

CV SWAG Update - Bruce

At our last meeting we discussed purchasing club swag. Items suggested were water bottles, t-shirts, caps and socks. Bruce reported that swag can be obtained through his brother's company. Minimum quantity on a few of the items Bruce looked at is 50. We will need artwork in the right format. Here is the link for the digital catalogue:

<https://promo.thesourcinggroup.com/>

Bruce's brother also sent the following link:

- <https://promo.thesourcinggroup.com/:quicksearch.htm?quicksearchbox=bike+bottles>

He has preferred pricing with most of the suppliers on this website - that means the club can use the lowest published price as a guide. The lowest qty listed is the MOQ (min order qty).

Additional costs are screen print set up fees, shipping, and tax.

If the Board picks a few items for starters, Bruce's brother will create a presentation that can be shared via a link.

If we send him the art file of the logo he will work up a few mockups.

Ride the Point update - David

David reported that an email has been sent to the Cyclo-Vet membership asking for Bike Marshall volunteers for this year's Ride the Point.

Newsletter - David

David asked Board members to submit material to John for inclusion in the newsletter.

The meeting ended at 6:36 PM. The next meeting will be September 8, 2025 or October 13, 2025
