Please join us for the Annual HOA meeting to discuss important matters as a community with the Board Members. A response is appreciated for the Board to determine if the Association should move forward with planning and having the 50th Anniversary event. We'd like an estimated guest count to budget for food, activities, etc. If there are not enough guests that will attend, the Board will cancel.

Please don't hesitate to reach out to Michael Coughlin, (Vice-Pres.) at 860-613-2765 or Anna Boose (President) at (860) 978-0324 regarding any questions or concerns.
