It is my pleasure to recommend Sarah Ramson for the Bowie Arts grant . I've watched her grow into a promising young harpist. In addition to her incredible performanship, Sarah has shown a constant pattern to grow musically and explore new ideas.

I have observed that Sarah continues to train her mind and expand her horizons. She is always searching for new ways to engage audiences for various projects as requested.

Feel free to contact me

Best regards,
Mrs. Robbin Gordon- Cartier
