

# Help Sarah Give back !

## SUPPORT SARAH'S COMMUNITY SERVICE

Support my campaign to raise \$4,000.

I enjoy performing at nursing homes and inspiring children in schools but a full sized concert harp is difficult to manage. I have placed a deposit on a smaller harp but I need your help to bring it home. The smaller harp is half the size of my full size harp and weighs only 44 pounds. Help me return to providing therapy music to seniors and and inspiring children.

To learn more about Sarah go to [iamsarahmari.com](http://iamsarahmari.com) or donate directly at the Virginia Harp Center at <https://www.vaharpcenter.com/>
