

SARAH- MARI RAMSON

ALWAYS ASPIRING. HOPING TO INSPIRE

BIOGRAPHY

My name is Sarah Ramson. I am 12 years old. I began learning harp when I was 6. I am a home-school student and music is a major part of my lesson plan. My remaining curriculum consists of studying Ballet at the Kirov Academy of Ballet, Kumon Math (achieving a Platinum status, equivalent to 10th grade level approaching Calculus), Kumon Reading,(Platinum status) and an online home-school program to include Language Arts, Civics, Science and History.

I currently study music on 5 instruments; the Harp, the Piano, the Flute, the Tenor Steel Pan, a few songs on Guitar. I play competitive Golf and Chess. June (2019), I earned her junior Black Belt in Martial Arts. My other activities include Ice Skating, Gymnastics, Swimming and Archery.

Sarah's orchestral and ensemble experience(2017-2019) was provided due to her exemplary auditions for the American Youth Philharmonic Orchestra and her experience participating in the American Youth Debut Orchestra in Virginia.

Sarah's solo engagements include performances for District of Columbia Congresswoman Eleanor Holmes-Norton at the National Press Club, an unaccompanied concert for the Women National Democratic Education Foundation in Washington, DC, fundraisers for prominent music schools, such as Levine school of music and regular performances at various nursing homes and churches around the region.

In 2020-21 season Sarah participated in several virtual concerts to encourage children to continue to study music as a way of diverting their attention away from the depressing circumstances associated the pandemic and to honor the front-line workers. As a community service project during the 2020-21 pandemic, Sarah produced two CDs to raise spirits during the quarantine. The CDs were distributed to seniors in the community and nursing homes in the region. The CDs also provided a platform for Sarah to showcase her persistent hard work and commitment to the studying the harp during the quarantine.

Sarah's ultimate career goal is to become a Supreme Court Judge. She would like to pursue advanced studies in Harp at the University level and Law school. The harp gives Sarah an opportunity to share her heart with others
