## ABOUT OUR COMPANY

TanTyTum Supply, LLC is a Native American-owned small business and certified Indian Economic Enterprise (IEE) and Indian Small Business Economic Enterprise (ISBEE), specializing in federal contracting and supply services for government agencies at all levels. Founded and led by CEO Chris Tayrien, TanTyTum brings over 35 years of operations and business leadership experience to every project.

Built from the ground up with an entrepreneurial spirit and a commitment to excellence, TanTyTum has grown from a two-truck startup to a multi-million dollar operation — delivering attentive, expert service on every contract. The company proudly honors the traditions and heritage of the Osage and Eastern Shawnee Native American Tribes, bringing those values of integrity and stewardship to every client relationship.

TanTyTum is positioned to be a trusted partner for government agencies and prime contractors seeking a qualified, certified Native American-owned business to fulfill federal contracting and supply needs. The company responds to the demands of an evolving marketplace with agility and expertise, building lasting strategic partnerships rooted in value and service.

## KEY DIFFERENTIATORS

### **Certifications & Set-Aside Advantages:**

Eligible for sole-source and set-aside federal contracts as an IEE/ISBEE certified firm, with multiple certifications (MBE, DBE, SLBE) opening doors across federal, state, and local government opportunities. TanTyTum is an Authorized Dell Federal Reseller.

**Proven Leadership:** CEO with 35+ years of hands-on operations experience — a business built and run by a proven leader with a track record of scaling from startup to \$4 million.

**Relationship-Driven Approach:** Established working relationships with local government agencies and unions, with a strong commitment to compliance — reducing risk for prime contractors seeking reliable teaming partners.

**Agility and Responsiveness:** Small business structure allows for faster decision-making and more direct client communication than large contractors, with an entrepreneurial approach that drives creative problem-solving on every project.

## LEADERSHIP

Chris Tayrien is a seasoned operations and business leader with over 35 years of experience across federal contracting, facilities management, commercial services, insurance, and logistics. As the founder and CEO of TanTyTum, Chris brings a proven track record of building businesses and teams from the ground up — growing TanTyTum from a \$5,000 investment to a \$4 million operation in just a few years.

Prior to founding TanTyTum, Chris served as Director of Operations at City Wide Maintenance, overseeing 350+ client accounts and \$800,000 in monthly contract revenue. Before that, he was Operations Director at Independence Center, managing all aspects of facility operations, vendor relationships, and capital budgets.

## CORE COMPETENCIES

**Federal Infrastructure Contracting** — Proven experience executing government contracts for civil infrastructure including sidewalk repair, sewer lines, and drainage systems for municipal and federal clients.

**Federal Supply & Procurement** — Experienced supplier of goods and materials to government and institutional clients, including furnishings and specialty products, with a focus on expanding federal supply partnerships.

**Materials & Product Distribution** — Sourcing and delivery of a broad range of products across electronics, industrial materials, construction supplies, lumber, and specialty goods to meet diverse agency needs.

**Compliance & Certified Set-Aside Contracting** — IEE, ISBEE, MBE, DBE, and SLBE certified, with the expertise to navigate federal compliance requirements and qualify for sole-source and set-aside contract opportunities.
