TRAVELERS

Trip details:

We created this itinerary with two words in mind: joy and relaxation. We are excited for you to join us in Colombia - a beautiful country with an amazing culture, surrounded by nature and delicious food. We will start off in Historic Santa Marta in Casa Rosa Hotel Boutique for two nights as we experience this city on the coast of the Caribbean Sea in the northern part of the country. We will then spend our last three nights about an hour away in a relaxing small hotel overlooking the ocean on one side and with a view of the mountains on the other.
