# OUR DESIGN PROCESS

Phase 1: Consult	Phase 2: Design	Phase 3: Refine
Requirement Gathering	2D/3D Layouts	Material Selection
 Site visit and measurement. Understanding your lifestyle, budget, and aesthetic preferences.	 Visualizing your space with realistic 3D renders and technical 2D floor plans.	 Choosing laminates, hardware, lighting, and finishes to match the approved design.
Phase 4: Execute	Phase 5: Handover	Phase 6: Support
On-Site Installation	The Big Reveal	After-Sales Care
 Civil work, carpentry, and modular fitting managed by our expert site supervisors.	 Final walkthrough, cleaning, and handing over the keys to your dream home.	 Our relationship doesn't end at delivery. We provide a 10-year warranty on modular units.

## WHY CLIENTS CHOOSE US ?

- **See your home before it's built (3D Previews)**
- **Transparent & Detailed Quotations**
- **High-Quality Branded Hardware**
