

# Foothill Wine Festival 2022

Thank you for participating in the **Foothill Wine Festival** wine judging and we are looking forward to your Public Event to show off your award-winning wines. The public event for the wineries to participate is on **April 2, 2022, from 4-7 pm**. The event will be hosted at the **Palladio in Folsom**.

We are anticipating 1500 attendees at the tasting and are requesting that each participating winery bring a minimum of two cases of your award-winning wines or something comparable. Given the large attendance and opportunity for promotion of your winery we are highly encouraging you to provide a volunteer to pour for your winery at the event. If you will need for the Greater Folsom Partnership to provide volunteer for your table, please indicate below.

This will be an amazing opportunity to get your wines out in front of a large consumers market. Once we receive your completed form Coleen Schwiertert our event coordinator will be reaching out to you with more details on the event.

**Please fill out the form below for our planning for the event.**
