Bio:

My name is Anna Woodgeard, and I have played softball for 6 years. I have previously played for the Sandlot(16u), Batbusters(14u), and Shockers(12u) team. I am unsure about what career I want to study but I'm looking at science and psychology. I am involved in FBLA and the Honors Art Society. I love to draw and paint, and my current GPA is a 4.00 with honors and college level classes. My softball goal is to continue playing but also get good opportunities for educational scholarships.

Accolades:

- Defensive pitcher award
- Coach's award
- First place in peace poster contest
