Bio: My name is Ava Catledge. I have played softball for 8 years. I have previously played for GA Classics and currently SouthEast Elite. My career goal is to become a pilot. I am involved in FCA where we have bible study every Tuesday and worship on Thursdays. I volunteer on the weekends that I'm not playing softball at my local church, where I help in the nursery. When I'm not playing softball I also enjoy working at a tree farm during Christmas and babysitting to make money when I can. My current GPA is a 3.6. I also do wrestling at my school. My softball goal is to play at the next level, so I can continue to play the game I love.
