Bio: My name is Avery Dixon. I have played softball for 11 years. I have previously played for DSO Brandenburg and SouthEast Elite Brown. My career goal is to become a dietitian. I am an all A student with several honors level classes. My interests outside of softball include going to sports games at my school, attending life group with my church, weightlifting, and playing other sports like tennis and volleyball. My future softball goals include continuing to improve all

aspects of my game, winning a state championship with teammates that are also within the SE family, playing through college and volunteer coaching as an adult.

Accolades:

First year letterman

All A letter

My school interests include:

Berry College

Shorter University

Wallace College

Young Harris University

University of West Alabama

Southern Union

Piedmont University

Middle Georgia State

East Georgia State College
