Bio:

My name is Blair Carter. I have played softball for 12 years. My career goal is to become an Obstetrician. I enjoy volunteering in the nursery at my church on Sundays when I'm not on the softball field and am a part of the leadership team at my church. I currently have a 4.0 GPA and also participate in track and basketball at my school. My goal is to be able to continue to play softball at the collegiate level some day.

Accolades:

1st team all region freshman year
