Bio:

My name is Brianna Hinton. I have been playing softball since I was 5 years old. I have previously played for GA Bandits and a pitching pick up for Ga. Bombers. I plan to continue playing softball throughout my high school years so I can obtain a scholarship. I want to continue to play softball in college. My career goal is to become a nurse. When I am not playing softball, I like to spend time with my family and watch college softball games. My current GPA is a 3.2 and I plan to take honors classes once I get into school and when I am able to, I want to do dual enrollment.
