

Britton Richardson #13

My name is Britton Richardson. I'm an 8th grader at Russell Middle School in Winder, GA where I play basketball on the 8th grade team. I have played baseball off and on for 10 yrs. Along with playing baseball and basketball I have previously played football and look forward to getting back into it and playing at WBHS. In my free time I like to hunt, fish, ride my stunt bike and hang out with friends and family. My goals are to continue you playing ball and advance to the next level to continue chasing my dreams of playing pro.
