Bio:

Hi, my name is Brooklynn Mims, and I have been playing softball for as long as I can remember. I play for SE Elite Digby, and I have previously played for GA Storm Roper. My career goal is to be a Physician assistant (PA). I am involved in the National Honor Society, and I currently have a 4.6 GPA. I am currently employed at Chick-fil-a working 3 to 4 times a week when I am not playing softball, and I also babysit during the summer. I would love to continue playing softball at the next level if my career would allow me to.

Accolades:
