Bio:
My name is Camille Lui. I have played softball for 5 years. I previously played for usssa pride and Aftershock. My career goal is to go into medicine as an Audiologist. When I'm not playing softball I am usually babysitting or helping out around the house. My current GPA is 3.7. I also volunteer to help out my coach during baseball season by doing the scoreboard and anything else I can. My goal in softball is to play at the next level while getting an education to set myself up for success in the future.

Sophomore year 2024
I am ranked 164 out of 436 in my class
Camps I attend:
