Bio:

My name is Danielle Bacon. I have played softball for 11 years. I have previously played for Watley Crew and GBSA Rays team. My career goal is to become a Physical Therapist. At my High School, I play flag football, a member of the Black Student Union and participate in culinary arts. I volunteer with my church on weekends when I am not playing softball. I like to pet sit to make money during holiday breaks. My current GPA is a 3.9. My softball goal is to play at the next level so I can continue to play the game I love.
