Bio:

My name is Darby Merritt. I have played softball for 10 years. I have previously played for Ga Bombers 14u. My career goal is to become a P.E teacher. When I am not playing softball I am attending church. In my free time I like to draw and play with my dogs. My current GPA is 3.8. I also run track at my school. My softball goal is to play at the next level so I can continue playing the game I love.
