bio-

My name is Destiny Montgomery. I have played softball 10 going on 11 years. I have previously played for Dirty South Outlaws 05 Baughcum and GBSA Nationals. My career goal is to work in the medical field. I volunteer to work concession stands for UGA and Apalachee high school when i'm not playing softball. I also enjoy hanging out with family. In high school I play basketball and softball. My goal in softball is to make it to the next level.
