Bio

My name is Kaiden Bradford. I am a freshman taking advanced and college prep classes. My career goal is in Journalism. My interests include dance, art, and photography. I have been in love with softball since playing little league at 9 years old. I have played travel softball for the last 4 years. I previously played for Shock, Lady

Tide, and Dirty South Outlaws. I'm currently playing with Southeast Elite where my primary and preferred position is centerfield/outfield. As a freshman, I started on my varsity softball team as short stop. I am also a freshman point guard on the varsity basketball team. I ran track last year in 8th grade and placed 1st in the 100m, 200m, 4x100m relay and 4x400m relay. In 8th grade also started on the JV softball and JV basketball teams. I am best known for my speed, agility and dedication. My goal has always been to play softball in college so that I can continue playing the sport that I love while obtaining my college degree.

Awards

2021 JV Basketball Coach's Award
