Bio:

My name is Kaylee Lapidés. I have played softball for almost 4 years. I have previously played for Champions Gate Legacy out of Winder, GA, and play high school softball at Archer High School in Lawrenceville, GA. My career goal is to do something in sports medicine. I am currently involved in FFA at my high school. When I am not playing softball, I babysit and dog sit to make money. So far, I have maintained a 4.0 GPA in high school with all honors and gifted classes. My softball goal is to continue to play and grow in the sport so that I can achieve my dream to play at the college level.

Camps I Have Attended:

Tony Baldwin Camp (UGA)- 2022

School Interests:

Undecided
