NCSA

- Hello, My name is Kenzie Fitch. I have played softball since I was 4. I currently play for SE Elite 07 Brandenburg. In the future I have hopes of being a veterinarian. In school I'm involved in the leadership program, where we help special needs students with their day to day school activities. In my free time I enjoy dog sitting or helping neighbors with their animal needs. The most important thing to me is my twin sister who is my best friend, pitcher and catcher combo. My current GPA is a 3.7. My softball goal is to play at the next level as I continue my education.
