My name is lexi rainey. I have played softball for 10 years. I have previously played for North Oconee, DSO, DTS, and currently South East Elite. My career goal is to become a athletic trainer, involving sports therapy and medicine. I have been involved in assisting the special needs students at school, I regularly go to students church on wednesdays, I also attend church on sundays when not playing ball. I also volunteer to work at family businesses to make money on down time. I currently have a 3.7 GPA, taking honors classes. Softball has taught me dedication, team work, and commitment. My goal is to play pn the next level so I can continue playing the game I love.

Accolades:

Going the Distance award 2020

AEC (Athleticism, Effort and Coachability) award 2021

Camps I have attended:

Columbus State University

My school interest include:

UGA
