Bio:

My name is Maggie McGaughey. I have played softball for 10 years. I have previously played for Dirty South Athletics, Georgia Athletics, Lady Tide, and Dirty South Outlaws. My dream career goal is to become a veterinarian. I am involved in FCA and ECE at school, and am a member of the youth department at my church. Additionally, I have maintained a 95 overall average while taking advanced level classes. In addition to softball, I play basketball and tennis. My softball goal is to play at the next level so I can continue to play the game I love.

Accolades:

Teammate of the year 2020
