***Bio:***

My name is Raegan Ford. I have played softball for 8 years. I have previously played for Firecracker Gibson, EC Bullets Joiner, and Spartans 2K6-Cutright. My career goal is to become an athletic trainer or a physical education teacher. I am involved in BETA club where we

regularly volunteer in the community. I also volunteer coach for the 10u Lady Flames, a recreation softball team. My current GPA is a 4.2 with mostly honors classes. I also play tennis for Woodland High School. My softball goal is to play at the next level so I can continue to play the game I love.

***Accolades:***
