Bio:

My name is Trinity Camp. I have played and loved softball since I was 5. Previously I played for Ap elite and SouthEast Elite. My career goal is to become a marketing manager or a sales manager. I am a student at ola high and play on the softball team there. I am also a member of Stockbridge Community Church where I volunteer on the weekends I don't have tournaments. I also babysit and help my aunt with her business she is starting. I have a 3.86 gpa with some honors classes and college level classes. My softball goal is to play at the next level and continue to grow and become the best player I can.
