My name is Zaikirreya Smith. I have played softball for 12 years. I have previously played for Team Bullpen. My career goal is to become a travel nurse. Softball has been a big influence and a great part of my life. When I am not playing softball I like to babysit my niece. My current GPA right now is 92.143. My softball goal is to play at the next level so I can continue to play the game I love.
