

WARMLEY RANGERS FOOTBALL CLUB

Away Team Information Pack

ACCREDITED
PART OF ENGLAND FOOTBALL

Welcome you to Warmley Rangers FC and our home in Oldland Common at SBL / Redfield Edge Playing Fields. We have put together this information pack with the aim of helping you by supplying all the information you, your players and their parents need. Please contact your equivalent Warmley age group manager before you arrive as normal to ensure you are made aware of any changes.

Dogs

We operate a strict **No dogs policy** at Warmley Rangers as the fields that we use are the property of the Wellsway Trust who operate this policy at all their school premises.

This is really important, as it is a condition of our lease.

Anyone bringing a dog onsite will be asked to remove it no matter how far they have travelled, so please make sure your parents know this.

Respect

All games will be played under normal FA rules. Each pitch will have a respect barrier and all spectators must not pass beyond this to the side of the pitch.

Parents of your players are your responsibility, and their behaviour should reflect the Respect principles of the FA and you as a manager. Warmley Rangers will not accept any abuse of Referees, players or coaching staff and will report any incidents to the league and or FA.

Please be respectful of our neighbours when using our facilities.

Clubhouse

At the clubhouse we have a licensed bar, along with hot and cold drinks, sweets and snacks. We also have sausage and bacon baps available at very reasonable prices. Contactless payment is available in the clubhouse bar which also has 3 TV screens showing football.

Note: The clubhouse is a member's bar and all visitors must sign the visitors' book to use the facility.

Note: Our license means that no alcohol can be consumed by the pitches. Alcoholic drinks cannot be taken beyond the clubhouse patio.

Litter

We have a "Keep Warmley Green" programme of work to ensure that the fields used for games are the best they can be for playing football. There are rubbish bins in the car park and around the fields, so please clear up after your team. If you are in doubt about what to do with your rubbish, please ask the Warmley manager.

Toilets

Toilets are in the car park in between the changing rooms and clubhouse. All toilets will be checked regularly by Warmley Rangers staff.

First Aid

It is expected that all teams bring their 1st aid kits with them as per FA regulations, however, should any equipment be needed, or an ambulance need to be called please contact the clubhouse.

Defib

We have a defib onsite which is located on the side of the clubhouse within a locked cabinet. If you need the code, please follow the instructions or contact a member of the clubhouse staff.

Site plan and key points of interest

Travel

We are served by the no.42 bus from the Centre, also the Bristol-Bath Cycle Path pass runs alongside our site.

If you choose to travel by car, **we have limited parking at the clubhouse, which will fill up quickly.** Additional parking is available at SBL Sports Centre (BS30 8TS). If your parents choose to park on the street, please ask them to park considerately and safely.

All vehicles are parked at the owners' risk.

Users of this car park do so at their own risk. The management will not accept responsibility for damage, accident or loss
