About Us

"There is no failure...you either win or learn"

Club History

We are an England Football Accredited Club founded in 1976 in Warmley, who are now based on the Redfield Edge playing Fields in Oldland Common.

For over four decades we have been one of the biggest youth football clubs in the Bristol area and we are very proud to have a club ethos of fair play and developing local youngsters through football.

Thank you for considering sponsoring Warmley Rangers FC.

We are a Community Amateur Sports Club (CASC) who are a not for profit organisation. As so, we reinvest every penny we raise back into the children and facilities at the football club. Therefore every penny you give us through sponsorship is vital to us and greatly appreciated.

If you would like to discuss any of the options included in this document or would like to suggest something else, please see the "Contact Us" page.

Our Teams

We currently run 24 teams from under 6 to under 18 and have approximately 420 boys and girls playing for us. We also run groups for under 5s, and a girls only Wildcats centre.

We also have plans to grow this in the coming years to include Girls, Women's and Men's football.

One Club, One kit

"There is no failure...you either win or learn"

With the continued developments at Warmley Rangers FC, we have decided to address our brand. So after many discussions and meetings we have decided that all Warmley teams will adopt the same kit over a two year period.

After a long deliberation period, we have decided that the best choice for quality and value for money is the Acerbis brand. Acerbis are an Italian manufacturer who were established in 1973 and who are expanding into the UK market having established infrastructure here to ensure that lead times on kit will be greatly reduced from suppliers we have used before.
