

L.E.A.F. Grant – Share Your Support for the Lions Heritage Park Project

On November 10 West Grey Durham Lions submitted a grant request to CommonWell (Mutual Insurance Co.) L.E.A.F. (Learning and Engagement Accelerator Fund) . As part of the grant application process, L.E.A.F. asks our community to share their support for the project by submitting a story, photo, a comment or share on Facebook.

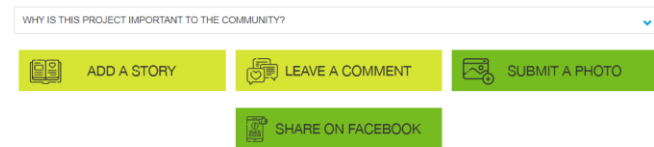

To do this, open your web browser and enter (copy and paste) the link below to go the Lions Heritage Park project site the LEAF program has created to enter our community support. OR, if you place your cursor over the link below and press ENTER it will take you directly to the site from this document.

You will be taken to the project screen.

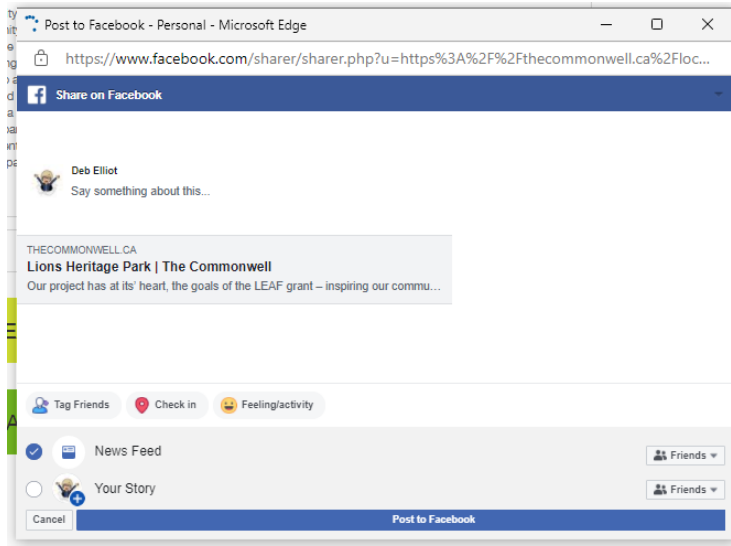

Scroll to the bottom and click on one of the four options below to share your support for this project.

Add a Story - To help this project earn a L.E.A.F. grant, share your story of support. Tell us how funding could benefit you or your family, why this facility is special to you, what you or your community could achieve with better resources or a retrofit or upgrade, or anything else you'd like to share. It's your story - and when you tell it, you're helping your community earn their share of the L.E.A.F fund.
