

## Spring Flower Planting at Lions Heritage Park Thursday May 23, 2024

***Thank-you*** to our West Grey Durham Lions members who volunteered their time to plant the flower boxes at the park and remove all the weeds in the boxes, under the Christmas Tree and garden along Garafraxa Street. Our new members Diane, Roz & Terry worked hard to help make the park look great! It was a beautiful day filled with lots of laughs.

Left to Right: Deb Elliot, Roz Bogoslowski, Pat Morden, Terry Reid, Diane McClelland
