What clients have to say

IAEE embarked on a journey five years ago to increase our advocacy influence. We looked for the right partner to assist us. That is when we choose Roger Rickard. I could not endorse his work any stronger than to say, you will not go wrong by selecting him for your advocacy needs.

David DuBois, President & CEO, IAEE

Roger spoke to more than 1200 young farmers and ranchers at our YF&R Leadership Conference. His presentation was insightful, inspiring and informative. But mostly it was engaging!

Cody Lyon, Director of Advocacy, American Farm Bureau

Roger is a fabulous keynote speaker, educator, and moderator. I have used his talents in all of these areas and more. If you want to effect change and advance your influence—then call Roger.
